Dear Friends and Colleagues,

We are very pleased to invite you to the 2025 Summer Meeting of the Georgia Society of Oral and Maxillofacial Surgeons, which will be held August 1-3 at The Cloister at Sea Island.

A favorite retreat of families and outdoor enthusiasts since 1928, The Cloister resides on Sea Island, a private island that's also home to other Forbes Travel Guide Five-Star properties, including The Spa at Sea Island, Georgian Room restaurant and sister property The Lodge.

Our exhibit space contracts are included in this prospectus. Space is limited, so we urge you to respond early. The brochure will be posted on our website at www.ga-oms.org.

Please take a moment to review the information in this prospectus and register for the 2025 Georgia Summer Meeting today (and book your hotel accommodations!).

Sincerely yours,

Rick

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
